

CITTASLOW RECERTIFICATION

SHINAN, COREA

The Cittaslow International is highly praising the notable changes and performances of **Cittaslow Shinan** in Corea for the last five years, and officially grants the recertification of **Shinan** as a Cittaslow member town for the next five years as of April 3rd, 2018, given fully confident in mutual faiths, the county fulfills the below requests suggested by the Cittaslow International.

STRATEGIC DIRECTION FOR THE FUTURE

- a. To establish a blueprint of Cittaslow Shinan for the next five years to create a new identity for the third five years after the Cittaslow is in effect cross the county, and
- b. To suggest specific policies and strategies for the county of Shinan with the application of the concept of Cittaslow across the county.

ACTION PLANS TO DO

- a. To affirm the new mayor's commitment to being more actively engaged in the Cittaslow activities after the local elections in June 2018
- b. To develop a second, a third hub etc., and incorporate the hubs into a cluster concept, establishing the county truly as Cittaslow Shinan as the Cittaslow is in effect across the county
- c. To provide more systematic education programs for residents, helping the residents understand the Cittaslow philosophy and purposes, and participate in the movement
- d. To establish the Cittaslow Resident Council and be engaged in specific action plan as the concept of Cittaslow is in effect across the county, helping serve the administration aim to improve "the quality of a happy life" of all residents as well as seek a happy life the Cittaslow residents deserve; and
- e. To establish the Shinan-specific political vision and directions for the third five years.

April 3rd, 2018
